Luxurious and bright 4 bedroom townhouse

Situated at a 15mn walking distance from the amenities and the beach in the lower part of Calahonda, this townhouse is in a very sought after Urbanization.

It enjoys the sun all day. All the rooms are facing south and it has a large gated garden which is communal and maintained by the gardener of the community but only for personal use.

On the groundfloor, the entrance leads you on the left to the bright living-dining room with air-conditioning and fireplace.

On the right, you reach the guest toilet and then the already spacious kitchen that could also be open onto the living-dining room to make a nice large & bright open space with 3 big windows leading to the terrace and garden.

There is also a laundry room in the back kitchen and a small storeroom under the stairs.

On the first floor, the master bedroom with A/C has an ensuite bathroom with shower and access to a small balcony overlooking the garden.
