Spectacular penthouse with sea views

Super PENTHOUSE apartment and location in the cozy town of La Carihuella, very close to Benalmadena harbour, as well as within walking distance to the delicious beach found in Carihuella, which also has a very long beach promenade without cars, really a nice place and within walking distance for shopping, the beach and the promenade as well as many restaurants and if you like fish, you have come to the right place.

The apartment consists of two bedrooms, nice large kitchen and living room with direct access to a wonderful terrace and roof terrace, lots of terraces.

There is also a parking space under the building and a storage room. Truly a pearl that should be seen.
