EXCLUSIVE, DUPLEX BY THE SEA

Welcome to beachfront paradise. This spectacular home offers a unique experience of serenity and natural beauty. Designed in a contemporary coastal style, this residence combines elegance with comfort, offering spacious and bright living spaces.

Every detail of this home has been carefully considered for your comfort and convenience. The property has been recently renovated, without losing the traditional Spanish style, making it a perfect setting to create unforgettable memories by the sea.

The property has two bedrooms, a living-dining room and two bathrooms with shower, a fully equipped kitchen, a small interior patio, a front garden to enjoy your breakfasts with sea views. The master bedroom also has a balcony with sea views. Private garage.

Besides being a few meters from the sea, it is very close to the famous Plaza del 525, one of the
